1. DNAMS 10146-1:2025 SANS 10146-1:2020 Laundry Part 1: Process management
2. DNAMS 0029: 2025 Wheat grains – Specifications

IMPORTANT NOTE:

As per Government Gazette number 8613; General Notice No. 164 the NSI Management Technical Committee on Chemicals and the NSI Management Technical Committee on Cereals and Pulses and their products have reached consensus that **these draft Standards be developed** as a Namibian Standard. The proposed development of these standards is now being made available by way of Public Enquiry to the public, for comments, and to Technical Committee representatives for record purposes.

All interested and affected parties should comment, or if not in agreement, submit their motivations for the rejection of the development of these standards by the closing date indicated above. **These draft standards** can be obtained at the NSI Head Office, 37 Feld Street, Windhoek

Comments should be sent either by email or fax to:
