NAMIBIAN STANDARDS INSTITUTION

PUBLIC NOTICE

09 November 2026

Dear Valued Stakeholder,

INVITATION TO REGIONAL STAKEHOLDER CONSULTATIONS ON THE METROLOGY FEES FRAMEWORK

1. The Namibian Standards Institution (NSI) is pleased to invite you to participate in stakeholder consultation sessions on the proposed Metrology Fees Framework, developed in terms of the Metrology Act, 2022 (Act No. 5 of 2022).

2. As Namibia's National Metrology Institute and designated Legal Metrology Authority, the NSI is mandated to maintain and strengthen the National Measurement System, ensure the accuracy and reliability of measuring instruments used in trade and other regulated activities, and safeguard fair commercial transactions, consumer interests, public safety and confidence in measurements.

3. The effective delivery of the national metrology mandate requires sustained investment in infrastructure, specialised expertise, equipment and regulatory oversight. The NSI is therefore reviewing its metrology fees framework to ensure that the proposed fees are transparent, appropriately structured and reflective of the resources required to provide sustainable, reliable and quality metrology services.

4. To this end, the NSI will conduct regional stakeholder consultations at the venues and on the dates indicated below. All sessions will run from **09:00 to 13:00**.

Region	Town	Date	Venue
Oshana	Oshakati	16 -11-2026	Oshakati Guest House, 917 Leo Shoopala Street, Oshakati
Kavango East	Rundu	18 -11-2026	Ngandu Hotel, Sarasungu Road, Rundu
Zambezi	Katima Mulilo	20 -11-2026	Kamunu Wholesalers & Mills, 314 Hage Geingob Drive, Katima Mulilo
Erongo	Walvis Bay	24 -11-2026	NSI Testing Centre, Erf No. 4466, Langer Heinrich Crescent, New Light
//Kharas	Lüderitz	01 -12-2026	Lüderitz Waterfront, Dias Street, Lüderitz
Khomas	Windhoek	03 -12-2026	NUST Hotel School, C/o Beethoven & Brahms Streets, Windhoek West

5. The consultations will provide an opportunity for the NSI to present and explain the proposed fees framework, its costing methodology and applicable regulatory requirements, while receiving stakeholder feedback, concerns and recommendations to inform its finalisation.

6. The NSI invites participation from fuel importers, wholesalers, distributors, retailers, transport and logistics operators, agricultural and fisheries businesses, manufacturers, MSMEs, business associations, government institutions and other users of prescribed measuring instruments. Therefore, stakeholder participation is essential to developing a transparent, fair and sustainable fees framework that strengthens regulatory oversight, service delivery and confidence in measurements across Namibia.

7. We look forward to your participation and valued contribution to this important national initiative.

8. For further information and enquiries regarding the regional stakeholder consultations, please contact:
